

Tank Restoration Shop

The Museum's Founder Dan Starks has a 47,500 square foot Tank Restoration Shop in Dubois, Wyoming that has two full time employment opportunities available.

The shop needs both a **Supervisor** and a **Mechanic** to join its existing team.

The **Supervisor** must have excellent leadership, management, and organizational skills as well as significant experience restoring military vehicles.

The **Mechanic** must have experience working on military vehicles, other heavy equipment, or trucks. Experience with welding, CNC, and other machine shop equipment is a plus.

Email resume and cover letter to Dan Starks at dcstarks206@gmail.com.
